

Boundary Setting & Self-Protection Worksheet

Write your thoughts, pause, or talk to a trusted adult whenever you feel ready.

Gentle scripts and tools for saying no without guilt

WHAT IT FEELS LIKE

Boundaries are not walls to keep everyone out; they are doors with keys that allow you to protect your peace, time, and emotional energy.

GROUNDING RESET

The Gentle 'No' Script Builder

Pick a recent situation where you felt pressured. Practice completing:
'I really care about you, but I don't have the capacity for this today.'
Remember: you do not owe an over-explanation for protecting your rest.

Take 3 slow breaths. You do not need to rush or figure everything out at once.
