

Handling Academic Pressure

*Write your thoughts, pause, or talk to a trusted adult whenever you feel ready.
When deadlines, grades, and exams feel suffocating*

WHAT IT FEELS LIKE

When grades, competition, deadlines, or expectations start feeling heavier than you can comfortably carry. Your worth as a human being is never measured by test marks.

GROUNDING RESET

'My Expectations vs. Mine' Separation

Draw three columns on a sheet: 1) What I personally want; 2) What other people expect of me; 3) What I'm afraid will happen if I stumble. Separating these relieves the burden of carrying others' expectations.

Take 3 slow breaths. You do not need to rush or figure everything out at once.
