

Coping With Social Exclusion

*Write your thoughts, pause, or talk to a trusted adult whenever you feel ready.
When you feel overlooked or like your presence doesn't matter*

WHAT IT FEELS LIKE

Feeling overlooked, left out, or like your presence doesn't matter to the people around you. Rejection sensitivity can sting deeply, but one group's oversight does not define your inherent worth.

GROUNDING RESET

'I Belong Here' Reflection

Write down one space (online, creative, family, or solo) where you feel completely comfortable being yourself, and name one unique quality or kindness you bring to the world.

Take 3 slow breaths. You do not need to rush or figure everything out at once.
