

Rebuilding Self-Esteem

*Write your thoughts, pause, or talk to a trusted adult whenever you feel ready.
Questioning your worth while trying to figure yourself out*

WHAT IT FEELS LIKE

Questioning your worth, abilities, or place in the world while trying to figure yourself out. The inner critic often exaggerates mistakes while ignoring real resilience.

GROUNDING RESET

'Evidence, Not Judgment' Inventory

Write down 3 real things you have handled, learned, or tried recently.
No ranking, no comparison against peers - just factual evidence of your capability and growth.

Take 3 slow breaths. You do not need to rush or figure everything out at once.
